

MINISTRY OF WATER AND ENVIRONMENT

INVITATION TO EXHIBITORS AT THE 1ST EVER UGANDA WATER AND ENVIRONMENT WEEK 17-23 March 2018

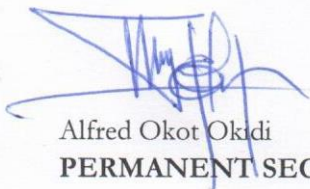

The Ministry of Water and Environment in collaboration with key Partners invites you to participate in the first ever Uganda Water and Environment Week (UWEWK) 2018 taking place at the Directorate of Water Resources Management Entebbe of Ministry of Water and Environment from 17th to 23 March 2018. The UWEWK presentations and discussions will highlight strategic issues regarding the contribution of water and environment resources to the development of Uganda. The theme for the 1st ever Uganda Water and Environment Week 2018 is, “*Water and Environment a catalyst for achieving Middle Income Status 2020*”. The overall goal is to contribute to the national development goals through effective management of water and environment resources and distribution for sustainable socio-economic development of Uganda.

The event is expected to bring together approximately 1200 key stakeholders in the Water and Environment sector. The event will provide an opportunity for exposure and exchange of views, experiences, practices as well as benchmarking among scientific, business, policy and civic communities. The week will also host the commemoration of three important International Days: World Forest Day on 21st March, World Water Day on 22nd March and World Meteorological Day on 23rd March 2018.

For exhibitors, the event will be a valuable networking and information sharing opportunity to showcase water supply, rainwater harvesting, irrigation, groundwater development and environmental resources products and services to UWEWK delegates and guests.

If you are interested in securing a booth space at the UWEWK 2018, please complete the attached exhibitor registration form and return to the secretariat at Ministry of Water and Environment, Plot 21/28 Port Bell Road, Luzira, Kampala or email secretariat@mwe.go.ug by 12th March 2018.
