PUBLIC NOTICE

Invitation to a Virtual Early Market Engagement Conference for Construction Works for Matanda Irrigation Scheme Off-Farm Pipe Network in Kanungu District

The Republic of Uganda through Ministry of Water and Environment received financing from the World Bank toward the cost of the Irrigation for Climate Resilience project (ICRP) and intends to apply part of the proceeds on the **Construction Works for Matanda Irrigation Scheme Off-Farm Pipe Network in Kanungu District**. The project development object is to provide farmers in the project areas with access to irrigation and other agricultural services, and to establish management arrangements for irrigation service delivery

The Ministry of Water and Environment has prepared the draft Bidding document and would like to invite potential bidders for a virtual early stakeholder consultation/Market engagement to inform the bidders about the upcoming opportunity by explaining in details the key features of the assignment and procurement process, receive feedback on the proposed strategy and encourage participation which will improve competition and improve supplier confidence within the procurement process.

To this end, the Ministry of Water and Environment hereby invite interested bidders to a virtual consultative workshop scheduled for **Thursday, 3rd July, 2025** at 02:00 a.m. The objectives of the workshop are to;

- (i) Relay general information on the Construction Works for Matanda Irrigation Scheme Off-Farm Pipe Network in Kanungu District to potential bidders,
- (ii) Collect expert opinions on market conditions and technical aspects of the project
- (iii) Present details of procurement document, including scope of works, design and the evaluation process including merit point evaluation.
- (iv) Receive feedback from bidders on the suitability and sustainability of the proposed approach

We strongly encourage stakeholders to participate in this process and to use the conference as an opportunity to ask questions and provide comments regarding the Proposed procurement approach for Construction Works for Matanda Irrigation Scheme Off-Farm Pipe Network in Kanungu District.
