

**MINISTRY OF WATER AND ENVIRONMENT  
VACANCY ANNOUNCEMENT**

**INTERNAL ADVERT**

**Background**

The Government of Uganda (GOU) represented by the Ministry of Water and Environment (MWE) has received financing from the World Bank towards the cost of the implementation of the Irrigation for Climate Resilience Project (ICRP). The project development objective (PDO) is to provide farmers in the project areas with access to irrigation and other agricultural services, and to establish Operation and Maintenance arrangements for irrigation service delivery. The 6-year project will be implemented by MWE.

The Irrigation for Climate Resilience Project (ICRP) aims to support the Government of Uganda (GoU) in the shift towards more resilient agriculture through the development of sustainable irrigation services. The project intends to address Uganda's climate change vulnerabilities by: (i) promoting adoption of irrigation by small farmers, in synergy with other agriculture inputs and technologies; (ii) increasing water storage capacity; (iii) promoting drainage; and (iv) promoting sustainable catchment management. Through the introduction of irrigation services, combined to the provision of extension services and facilitated access to agri-inputs, farmers are expected to record more stable and higher yields, increase intensification (by cropping also during the dry season), and diversification (by introducing higher value crops). This change will be pulled by the market, with irrigation becoming the anchor for stronger producer organizations and development of value chains. The project recognizes the need to explore a range of irrigation models adapted to local needs.

The ICRP Project Implementation arrangements require a Project Support Team (PST) to be established under Component 3 to augment the MWE Staff capacity for the smooth implementation of the Project.

The Ministry of Water and Environment invites suitably qualified individuals, with qualifications and experience to apply for the underlisted positions.

- Ethics and integrity
- Good oral and communication skills.
- Customer Care and public relations skills.
- Demonstrate high levels of Professionalism;
- Team leader and player
- Innovation and self-initiative
- Time Management

**Post:** **COMMUNICATIONS OFFICER**

**Reports to:** Project Manager

**Number of Vacancy:** - 1 (One)

**Duration of Contract:** 2yrs(renewable)

**Duty station:** Kampala and Entebbe
