

MINISTRY OF WATER AND ENVIRONMENT
DIRECTORATE OF WATER RESOURCES MANAGEMENT

LICENSED DRILLING PERMIT HOLDERS, HYDROGEOLOGISTS AND HYDROGEOLOGICAL FIRMS FOR THE PERIOD: 1ST JULY 2026 TO 30TH JUNE 2027

LICENSED DRILLING PERMIT HOLDERS

The general public is informed that all those involved in the business of drilling boreholes in Uganda have to apply for **DRILLING PERMITS** before they embark on any water well drilling activities. Drilling Permits are issued annually (1st July to 30th June) after submitting an application to the Commissioner, Water Resources Management and meeting all requirements for engaging in borehole drilling activities in Uganda. The following is therefore, a list of firms with valid drilling permits for the period 1st July 2026 to 30th June 2027.

All organisations and institutions involved in groundwater development are informed that it is a statutory requirement to engage holders of valid drilling permits when issuing out water well drilling contracts. The general public is therefore requested to report to police or to the Commissioner, Water Resources Management (WRM) anybody that is involved in drilling boreholes without a valid drilling permit.

REGISTERED HYDROGEOLOGISTS AND HYDROGEOLOGICAL FIRMS

The general public is informed that all those involved in the business of hydrogeological investigations and siting boreholes/water wells in Uganda have to apply for **REGISTRATION** before they embark on providing these services. Registration Certificates are issued annually (1st July to 30th June) after submitting an application to the Commissioner, Water Resources Management and meeting all requirements for undertaking hydrogeological investigations and borehole siting services. The following is therefore a list of Individual Hydrogeologists and Consulting firms with valid Registration certificates for the period 1st July 2026 to 30th June 2027.
