

THE REPUBLIC OF UGANDA

MINISTRY OF WATER AND ENVIRONMENT

JOB ADVERT

Background

The Ministry of Water and Environment is implementing the Systematic Observations Financing Facility (SOFF) of the United Nations Multi-Partner Trust Fund (UNMPTF) created by World Meteorological Organization (WMO), United Nations Development Programme (UNDP) and United Nations Environmental Programme (UNEP). SOFF is providing support to countries for the generation and exchange of critical basic observational data that is essential for improving weather forecasts and climate services. The Government of Uganda has received financial support from UNMPTF to implement the SOFF project.

The project's objective is to enhance and sustain Uganda's weather observation network by improving its capacity to generate and disseminate essential weather observational data, which is crucial for enhancing weather and climate services. The Ministry of Water and Environment is the Executing Agency for the project, with the Department of Meteorological Services (formerly Ugandan National Meteorological Authority) as the implementing arm and project beneficiary. The project Implementing Entity is the Islamic Development Bank (IsDB), whilst the Project Peer Advisor is The Royal Netherlands Meteorological Institute (KNMI).
