To this end, the Ministry of Water and Environment hereby invite potential bidders to a one-day virtual consultative workshop scheduled for Tuesday, 21<sup>st</sup> October, 2025 starting at 09:00 a.m. (local time).

#### The objectives of the workshop include;

- Inform the market of the Contract opportunity by explaining the key features of the project and the procurement process
- Collect expert opinion on market conditions and technical aspects of the project
- Present details of the procurement document, including the scope of works, design, and the evaluation process, including rated criteria.
- Receive feedback from bidders on the suitability and sustainability of the proposed approach
- Encourage participation, which will improve competition.

We strongly encourage potential bidders to participate in this process and to use the conference as an opportunity to ask questions and provide comments regarding the Proposed procurement approach.
